Getting to Boracay:

The world-famous island of Boracay is located in Aklan province 345 kms. South of Manila. The island is accessible by air from Manila or Cebu through two principal gateways: Caticlan Airport or Kalibo Airport.

Another way to get from Manila to Boracay is to take an air conditioned bus from Manila to Batangas. You can also board the ferry service from Manila that takes a night to reach Boracay. Boracay is served by 3 ports: New Washington, Dumaguait and Batan, Aklan to be dropped at. From Iloilo or Bacolod on neighboring Negros Island, the only way to get to Boracay is by bus. Mini-vans or buses ply the 4 to 5 hour Iloilo-Caticlan route.
